The Child and Adult Care Food Program

Income Eligibility Statement Form and Supporting Documents

The United States Department of Agriculture (USDA) issued revised Income Eligibility Statements (IES) and other required forms to all state agencies to disseminate to institutions participating in the Child and Adult Care Food Program (CACFP). The newly revised IES package includes the following: IES form and instructions, reduced income guidelines template with privacy and non-discrimination statement, Sharing Information with Medicaid/SCHIP letter, sample house-hold letters based on program type, and template letters to use when verifying income and reporting the results of the verification.

The revised IES package and supporting documents is available at <http://www.decal.ga.gov/BftS/FormList.aspx?cat=CACFP>.

Frequently Asked Questions

Q. What information do I issue to parents?

A. Institutions and facilities should issue the IES form, reduced income guidelines with the privacy and non-discrimination statement, appropriate household letter, and the Sharing Information with Medicaid/SCHIP letter to parents/guardians of children/adults participating in the CACFP.

Q. Can centers/day care homes require parents/guardians to complete the IES form as part of the enrollment package?

A. Centers/day care homes can **request** that parents/guardians complete the form as part of the enrollment process, but centers should **not require** parents/guardians to complete the form nor should they have policies/practices in place that negatively impacts the prospective/current participant's enrollment if the parent declines or fails to complete or submit the form. This action would be in violation of the Program.

Q. Why is it necessary to issue the Sharing Information with Medicaid/SCHIP letter to parents?

A. Parents/guardians that do not wish to have their information shared with either Medicaid or SCHIP must complete the form and return to facility. Otherwise and when requested by Bright from the Start or the United States Department of Agriculture (USDA), parent/guardian information will be shared with Medicaid/SCHIP.

Q. Is it necessary to have three official's signatures on the new IES form-especially when the center is an independent center with only one staff person managing the CACFP?

A. No. Only one signature is required for Independent centers with only one staff person responsible for managing the CACFP. However, institutions with more than one person managing the CACFP, and center and administrative sponsors are required to have a minimum of two signatures: determining official and confirming official.

Q. What is the purpose of having a determining and confirming official signature?

A. The confirming official will review the form and ensure accuracy and completeness. IES forms are considered current and valid until the last day of the month in which the form was dated on year earlier. The date to be used to make this determination is the date in which the sponsor or institution official signs the IES form to certify eligibility of the participant.

Q. How long is the IES form considered current and valid?

A. IES forms are considered current and valid until the last day of the month in which the form was dated one year previously. The date used to make this determination is the date in which the sponsor/ independent center official or parent/guardian signs the IES form. CACFP institutions and SFSP sponsors must decide which date they will use as the effective date and apply this date to all income eligibility forms submitted on behalf of all participants. CACFP institutions and SFSP sponsors are required to complete the **Income Eligibility - Effective Date Option Form**. In addition, institutions must indicate the options chosen in Section VIII. Recordkeeping (Item #2) of their Management Plan.

This means that sponsor and independent center officials should not request parent/guardians to complete IES forms at a specific frequency (e.g. start of each school year, every June, etc.). Request made by the sponsor or independent center official for IES form completion should be based solely on the expiration date of the IES forms.

Q. Do I send a report to Bright from the Start listing parent/guardians that want their information shared with Medicaid/SCHIP?

A. No. When instructed by USDA, Bright from the Start will request and collect data from institutions.

Q. Can this form be used for children in childcare facilities and adults in adult daycare facilities?

A. Yes.

Q. Can siblings be listed on one form?

A. Yes. Siblings from the same household can be listed on one form as long as there is space available.

Q. When do I verify parent/guardian income?

A. At the request of the United States Department of Agriculture (USDA), Bright from the Start, or any of its agents.

Q. Where can I get copies of the IES form and supporting documents?

A. Access Bright from the Start's webpage at <http://www.decal.ga.gov/BftS/FormList.aspx?cat=CACFP>

Q. Can I still participate in the CACFP if parents do not complete the IES form or do not return the form to my center?

A. Yes. However, children that do not have IES forms on file must be placed in the “paid” category on the roster, which will effect monthly reimbursement. Centers that are using the IES form to capture annual enrollment information will be required to use an alternate enrollment form that captures at a minimum the name of the child, normal hours and days of care and meals the child usually receives while in attendance.

Q. What if the form is completed by the parent but is not signed and dated by the sponsor or independent official. Is the form valid?

A. The form would neither be current nor valid for free or reduced price meals since the signature and date of the sponsor or independent official is the certification of the eligibility of the participant.

Q. Are households required to report changes in circumstances?

A. No, Public Law 108-265 modified the requirements related to reporting changes in income during the period of eligibility covered by the application. Households are not required to report changes in circumstances, such as increase in income, a decrease in household size, or when the household is no longer certified eligible for benefits through Supplemental Nutrition Assistance Programs (SNAP) or Temporary Assistance for Needy Families (TANF).

Q. Are temporary approvals (45 days) still required when no income is reported?

A. No. Temporary approvals previously provided for short term assistance, such as when a household experienced a temporary income reduction or when no income was reported have been eliminated, are no longer required. Now, year-long eligibility includes households that report no income on their IES forms.

Q. Can parents list some but not all of the household income received?

A. No, the IES form requests all the household income including the frequency. By signing the IES form the parent/guardian certifies that all the information on the form is true and that all income is reported and that they understand that the center or day care home will receive Federal funds based on the information listed by the parent/guardian.

SHARING INFORMATION WITH MEDICAID/SCHIP

Dear Parent/Guardian:

If your children qualify for free or reduced price meals, they may also be able to get free or low cost health insurance through Medicaid or the State Children's Health Insurance Program (SCHIP). Children with health insurance are more likely to get regular health care and are less likely to become sick.

Because health insurance is so important to children's well-being, the law allows us to tell Medicaid and SCHIP that your children are eligible for free or reduced price meals, *unless you tell us not to*. Medicaid and SCHIP only use the information to identify children who may be eligible for their programs. Program officials may contact you to offer to enroll your children in this health insurance program. Filling out the CACFP Meal Benefit Income Eligibility Forms does not automatically enroll your children in health insurance.

If you do not want us to share your information with Medicaid or SCHIP, fill out the form below and send it with your Income Eligibility Form to [address] by [date]. (Sending in this form will not change whether your children get free or reduced price meals.)

- No! I DO NOT want information from my CACFP Meal Benefit Income Eligibility Form shared with Medicaid or the State Children's Health Insurance Program.

If you checked no, fill out the form below.
