PANDEMIC TUITION POLICY

Should the center need to close for Pandemic reasons and/or children need to be quarantined as per direction from the Department of Health or policies set forth by the Department of Human Services, full tuition will be due for the first two weeks of closure. If the center is closed longer than two weeks, 50% of tuition will be due.

If a child is required to quarantine based off of an exposure outside of the facility, they must pay full tuition during their quarantine period.

If a child is exposed within the facility, full tuition is due for the first two weeks then 50% of tuition is due thereafter.

This schedule of 100% vs. 50% tuition for each scenario outlined will reset on an annual basis dependent on direction to close by the Department of Health and/or Department of Human Services. This is at the discretion of the director.

Parents may give a 2-week notice to withdraw from the program if they feel it is in the best interest of their family. 50% of the tuition will be due during the 2-week notice period. A full registration fee will be required to reenroll in the program after the pandemic/quarantine period.
